About This Game

Your murderous half-sister has escaped, and you've got the last piece of your father's treacherous film projector. The breakout success story returns for an encore as you uncover the truth about your father's dark secrets and find out who's really behind his death and his deadly invention in Final Cut: Encore.

This is a special Collector's Edition release full of exclusive extras you won't find in the standard version. The Collector's Edition includes:

- Step into your sister's shoes in the bonus game
- Collect film strips and other achievements
- Downloadable soundtracks and screensavers
- Bonus wallpapers and concept art
- Integrated Strategy Guide
